To provide your business and you with excellent service, assist the business with products and services, and fulfill our due diligence responsibilities under the law, we need to obtain the information on this [Business Profile](#) about the business.

Effective May 11, 2018, we are required to ask for identifying information (name, address, date of birth, social security number as well as identification documents) about the person or people who have at least a 25% ownership interest in the business (the beneficial owner(s)), and about the person who has significant management responsibility (control) over the business (the control person). You will be required to certify that this information is true and accurate to the best of your knowledge with this [Beneficial Ownership Certification](#). This important information assists us in managing the products and services for the business, and provides us with the key individuals in the event we need to contact one or more of them about any matter pertaining to the products and services the business has with us. Thank you for being a member of our credit union. We look forward to serving you!

*Unlike the State of Missouri, Illinois' SOS website does not provide copies of the Articles, Good Standing Certificates, Annual Reports and other organizational documents. There is a \$46 per document charge to order them or \$16 fee for Not-for-Profit Corporation. Therefore, the business **must provide all of the documentation prior to opening the account.***
