Bill Payments are processed on all business days that both the Federal Reserve Bank and the U.S. Postal System are operating and open for business. Funds Transfers are processed on all business days that the Federal Reserve is open for business. All Online Banking transaction requests initiated or requested received after 8:00 PM CST on business days and all transactions that are requested on Saturday, Sunday, or holidays on which the Credit Union chooses to remain closed, will be processed on the Credit Union’s next business day. ### III. Credit Union Transactions with Online Banking

#### A. Account Access

You may access any of your credit union accounts online. You will have access to approximately eighteen (18) months' worth of transactional history. You may export and save your account history onto your own computer, as we do not save, store or have access to transactional data in electronic format beyond this eighteen month period and will have no obligation to provide such data to you electronically.

#### B. Transfer of Funds

In addition to viewing account information, you may use online banking to conduct the transfer of funds. You may make one-time transfers or schedule future or recurring transfers such as transfers to make loan payments. You may transfer funds among your checking accounts, savings accounts, and money management accounts.

**NOTE:** Because federal regulations require financial institutions to limit preauthorized transfers (including Online Banking transfers), the following limitations may apply:

Share Savings Accounts: You can make no more than six (6) transfers per statement period by preauthorized or automatic transfer, or by telephone or Online Banking

Money Management Accounts: You can make no more than six (6) transfers per statement period by preauthorized or automatic transfer, or by telephone or Online Banking, and no more than three (3) of these may be in check or draft form.

### IV. Our Rates & Service Charges

The Credit Union offers the benefits and convenience of core Online Banking and Bill Payment Services free of charge for all accounts (consumer and business).

Please refer to the Credit Union's Rates & Service Charges disclosure regarding other possible fees.

If the account is a jointly held account, the statement is available to all owners listed on the joint account. Please note that, pursuant to the terms of your Account Agreement, the account statement may contain information related to additional accounts you maintain with us in which the other owner of your joint account(s) has no interest, and this information may be viewed by the other owner of the joint account(s).

You will continue to receive your account statement either monthly or quarterly (depending on the type of account) in paper format, unless you opt-in to receive electronic statements, which you may do through the Service. We will promptly notify you if we terminate this Agreement or your use of the Services for any other reason. At any time, we may cancel all or part of the Services that we generally offer. Access to our Service may be canceled in whole or part without prior notice due to insufficient funds in one of your accounts or other circumstances that may create an unanticipated liability to us. If your account(s) is closed or restricted for any reason, or if there has not been any online banking or bill pay activity for a period of 180 consecutive days, the Services may be terminated by us. You will remain responsible for all transactions approved by the system prior to the cancellation, and for any other fees associated with the Service. **Cancellation of Scheduled Transfers:**

Any recurring transfers you have set up through the online banking portal will be automatically canceled.

**Discontinuation of Alerts:**

Any email or SMS alerts you have configured in your online banking settings will be discontinued.

## **XII. Electronic Funds Transfer Provisions for Consumers**

### **A. Applicability**

These provisions are only applicable to online electronic fund transfers that credit or debit a consumer's checking, savings or other asset account and are subject to the Federal Reserve Board's Regulation E (an "EFT"). When applicable, the Credit Union may rely on any exceptions to these provisions which are contained in Regulation E. All terms that are not defined in this Agreement but which are defined in Regulation E shall have the same meaning when used in this section.

### **B. Your Liability**

The following determines your liability for any unauthorized EFT or any series of related or unauthorized EFTs:

1. If you notify the Credit Union within two (2) business days after your password was lost or stolen, your liability will not exceed \$50.00 or the amount of the unauthorized EFTs that occur before notification, whichever is less
2. If you fail to notify the Credit Union within two (2) business days after your password was lost or stolen, your liability will not exceed the lesser of \$500.00 or the total of:

- a. \$50.00 or the amount of unauthorized EFTs that occur within the two (2) business days; and
  - b. The total of authorized EFTs which occur during the two (2) days before notification to the Credit Union, provided the credit Union establishes that these EFTs would not have occurred had the Credit Union been notified within that two-day period.
3. You must report an unauthorized EFT which appears on your periodic statement, no later than 60 days after transmittal of the statement to avoid liability for subsequent transfers. Your liability will not exceed the amount of the unauthorized EFTs that occurred within the 60 day period. You may also be liable for the amounts as described in sections 1 and 2 above. Failure to notify the Credit Union may mean that you do not get your money back, provided that we can prove that we could have stopped someone from taking the money had you told us in time.
4. If the report is made orally, we will require that you send the complaint or question in writing within 10 business days. We will determine whether an error occurred within 10 business days (5 business days for ExpressCheckCard point-of-sale transactions and 20 business days if the transaction involved a new account) after we hear from you and will correct any error promptly. If more time is needed however, we may take up to 45 days (90 days if the transaction involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate a complaint or question. If this occurs, we will credit your account within 10 business days (5 business days for Express CheckCard point-of-sale transactions and 20 business days if the transaction involved a new account) for the amount you think is in error. This will allow you to use the money during the time it takes us to complete our investigation. If your complaint or question is not received in writing within 10 business days, we may not credit your account until the investigation is completed. Your account is considered a new account for the first 30 days after the first deposit is made. If we determine that no error occurred, we will send you a written explanation within three business days after the investigation is complete. You may request copies of the documents that were used in the investigation.
5. You may notify us by telephone, in writing, or by email using the secure email form provided within our Online Banking service. Notification by general email to report an unauthorized transaction is not secure and therefore not advised.

### **C. Telephone Numbers and Addresses**

In case of errors or questions regarding an Online Banking or Bill Payment Transaction, call 636-728-3330 or toll free 800-767-8880, or write us at: ATTN: Online Support Dept., First Community Credit Union, 17151 Chesterfield Airport Road, Chesterfield, MO 63005, or use the "Contact Us" secure email form found within Online Banking.

1. We must hear from you at the telephone number(s), mailing address, or secure email listed above no later than 60 days after we sent you the FIRST statement on which the problem or error appeared. We will need:

- a. Your name and account number
  - b. A description of the error or the transfer in question and an explanation of why you believe it is an error or need more information; and
  - c. The dollar amount of the suspected error and date on which it occurred.
2. If you verbally provide this information we may require that you send us your complaint or question in writing within 10 business days.

### **D. Your Information and Account Data with Other Financial Institutions**

Our financial management tools (herein known as Money Management) allow you to view accounts that you may have outside our financial institution (this is a process called "aggregation"). When you choose to use online financial services which are applicable to data that you have transacted with other financial institutions or card issuers, you are consenting to us accessing and aggregating your data from those outside financial institutions. That data includes your financial institution account access number(s), password(s), security question(s) and answer(s), account number(s), login information, and any other

security or access information used to access your account(s) with other financial institutions, and the actual data in your account(s) with such financial institution(s) such as account balances, debits and deposits (collectively, "Financial Account Data"). In giving that consent, you are agreeing that we, or a third party vendor on our behalf, may use, copy and retain all non-personally identifiable information of yours for the following purposes:

(i) as pertains to the use, function, or performance of the services which you have selected; (ii) as necessary or useful in helping us, or third parties on our behalf, to diagnose or correct errors, problems, or defects in the services you have selected; (iii) for measuring downloads, acceptance, or use of the services you have selected; (iv) for the security or protection of the services you have selected; (v) for the evaluation, introduction, implementation, or testing of the services you have selected, or their upgrade, improvement or enhancement; (vi) to assist us in performing our obligations to you in providing the services you have selected.

If we make additional online financial services available to you which are applicable to data that you have transacted with other financial institutions or card issuers, and which we will aggregate at this site, we will separately ask for your consent to collect and use that information to provide you with relevant offers and services. If you give us your consent, you will be agreeing to permit us to use Financial Account Data to help us suggest savings opportunities or additional products and services to you. If you select services that are offered by third parties or merchants through such offers or on our behalf, you will be agreeing that we have your consent to give such third parties or merchants your geographic location, and other data, collected and stored in aggregate, as necessary for such third parties or merchants to make their offerings and services available to you and to permit us to use Financial Account Data to help us suggest savings opportunities or additional products and services to you. Except as specified here, we and the third parties or merchants acting on our behalf shall not use or keep any of your personally identifiable information.

## **H. Purchase Rewards Offers**

If you decide you wish to participate in the Purchase Rewards Offers application, you acknowledge and agree to the following terms and conditions of service.

1. **Purchase Rewards.** You will earn rewards for your participation in the Purchase Rewards Offers program based on total purchases. If you participate in the Purchase Rewards Offers, we will credit all cash or point rewards earned to your rewards balance and send you a lump sum of all rewards due to you. For any qualifying purchases during the current month, we will distribute the lump sum amount to you during the following calendar month. For example, if the payment date of all rewards end user disbursements is August 30, the applicable Measurement Period would be the calendar month ended July 31. Cash rewards will be deposited in the Purchase

Rewards Offers deposit account which is associated with the Purchase Rewards Offers program.

2. Purchase Rewards Offers Account. You must use the debit card associated with the Purchase Rewards Offers account in order to receive the offers which qualify for the rewards. Rewards will not be earned for any portion of your purchase that you pay for with store credit, gift certificates or other payment types.

Purchases must be made as indicated in the offers made available under the Purchase Rewards Offers program. Each offer will specify whether the purchase can be made online, at a store location, or by telephone to be eligible for rewards. You must also comply with any guidelines included with the offer, such as offer expiration dates, minimum purchase amounts, purchase limits, etc. You must also pay using the debit card associated with the account that received the Purchase Rewards offer in order for the purchase to qualify.

While we and the merchants work hard to properly track and credit all eligible purchases, there may be times that we are unable to do so because of problems with your internet browser, the merchant's web site or our system. Please contact our support team if you believe you have made a qualifying purchase for which you did not receive Rewards.

Please note that you will not earn rewards as part of this program if you use a debit card not issued by us or do not have the designated deposit account opened with us at the time of disbursement. You understand and agree that we make no warranties and have no liability as to:

- Any offers, commitments, promotions, money back, or other incentives offered by any of the merchants in the Purchase Rewards Offers program.
- The rewards information that we provide to you, which is provided “as is” and “as available”.
- (i) your inability to comply with offer guidelines, (ii) the accuracy, timeliness, loss or corruption, or mis-delivery, of any qualifying purchase information or any other information, (iii) unauthorized access to your account(s) or to your account information and any misappropriation, or alteration, of your account information or data, to the extent that the unauthorized access results from your acts or omissions, or (iv) your inability to access your account(s) including, but not limited to, failure of electronic or mechanical equipment, interconnect problems with telephone providers or internet service providers, acts of God, strikes, or other labor problems.
- Some states do not allow limitations on how long an implied warranty lasts, so that the above limitations may not apply to you, and that you may also have other rights, which vary from state to state.
